Summer 2010

Dear Prospective TWRA Member:

Thank you for your interest in the Tilden Woods Pool.

Naturally, we feel that the Tilden Woods pool is the best outdoor pool in the area in terms of facilities, activities, and ambiance. The pool has an ideal location in the center of Tilden Woods – easy to get to, yet away from the major traffic arteries and next to the Tilden Woods Park with tennis, basketball, baseball, playground, pathways and a stream. We offer lap swimming, raft nights and a variety of special activities. We have a “Tot Lot” for toddlers, climbing equipment for older children and volleyball, Ping-Pong and a basketball hoop for all. We also have charcoal and gas grills for picnicking.

We are thrilled to have our pool heater fired up for another season to take the chill off the water this May and June. The heater gets more of our members into the pool at the beginning of the season, providing them greater comfort and enjoyment! No matter what the weather this May our pool will be a comfortable temperature.

The Tilden Woods “Dolphins”, a Montgomery County Swim League team, encourages all TWRA children to join, from the youngest tadpoles who can just barely swim across the diving well to county All-Stars. Not only do our children learn to swim, but also they do so in an environment that encourages participation, social development, and fun. From Memorial Day to the end of July our swim team provides a myriad of activities, encompassing special events such as pep rallies, trips to Six Flags America, pancake breakfasts and spaghetti dinners as well as daily swimming practices, mini meets for the children 8 years old and younger, and Wednesday night and Saturday morning swim meets.

To join the Tilden Woods Pool, new members pay a one-time \$750 “bond” and an annual membership fee. Please go to [www.tildenwoodspool.org/join.html](http://www.tildenwoodspool.org/join.html) for the 2010 rates. Please keep in mind that the bond is 50% refundable when the member resigns and their membership/bond is “resold” by the pool. Installment plans for the bond are available if desired. If you have any questions about our pool or the membership application process, please feel free to call me at 301-255-2500.

See you at the pool!
